Letter No HC 10/68-69 dated 30th July 68

Requests sanction to the payment of an lumpsum remuneration of Rs 200/- per year to Sri Ganapathi Bhatta for hoisting the Radio

1 The President states that the radio was purchased in April 68 for the use of the municipality - and the owner of the shop from which had supplied the radio, was hoisting the radio for three months from April 68 free of charge

2 Since the period of hiring the radio free of charge, has expired, and as there are no properly trained tuners, the Hall has resolved at its meeting held on 24.7.68 to pay a lumpsum remuneration of Rs 200/- per year to Sri Ganapathi Bhatta, the owner of the shop from and to meet the amount from out of the closing balance of the Municipality for 1968-69 to hoist the radio

The Budget of the Municipality for 1968-69 is not received yet - and the president

11.64 /ue

State that the Closing Balance as at stood on 30th June '48 is more than Rs 25000/-

The financial position of the municipality for 47-48 is as follows —

opening Balance —	Rs 19147
Receipts —	64842
Total	84019
Expenditure —	77607
Closing Balance —	Rs 6412

4) The Municipality may be asked to state whether in similar cases the Chief Officer is paid any allowance of Rs 10/- P.M. by the Clerk of the Municipal Office.

5) Submitted draft G.O. for approval and orders.

6) Typing a draft is a quite a simple matter and any intelligent person can be trained to do this within a few days. An expenditure of Rs 200/- for one month in a place like Salem appears to be too much. The Municipal Council may be asked to fix one of its clerks or other superior servant trained in this and pay him a small allowance for it.

7) The enquiry may be made accordingly and draft letter put up for orders.

8) Submitted draft letter for approval

No H C 10/48-49 dated 12-12-48,

Furnishes information

14) The President reports that there was loss to the ~~Co~~ Municipality due to the mishandling of the Radio by the Clerk of the Municipality and it is also stated that the Council is of opinion that the tuning work should be entrusted to the dealer who will attend to the tuning of the Radio as well as to the slight repairs when necessity arises without much cost

15) The President also suggests that the remuneration of Rs 200/- may be suitably reduced, if found too much

H) On 24-7-48, the Sagar Municipal Council resolved to entrust the work of tuning the Municipal radio to one Sri Ganapathi Bhatta — a local dealer in radios, on payment of a remuneration of Rs 200/- p.a. out of municipal funds. It was then

pointed out from this office that the expn was considered rather excessive for attending to the simple work that one of the clerks of the office may be trained to do the work, being paid a small allce for the extra work every month

17) The President, Sagar Tumpted has reported that the arrangement of entrusting the above work to a clerk in the post has not worked well & that it is necessary to get the work attended to by a person dealing in radios

Hence therefore, I request sanction to the proposal, the amount of remuneration being nearly

18) A | Lastly in the circs reported, the time of the Radio at Sagar may be entrusted to the Secy Ganapathy Mutta employee on a remuneration of Rs 120/- per year (Rupees one hundred & twenty only) this would be adequate temp regard to the fact that there would be work for about 2 to 3 hours a day.

Sir,

Subject

I have the honour to state that this municipality has purchased a Radio in April 1948 for use in the municipality The firm which had supplied the Radio had undertaken to tune the Radio for a period of three months free of charge from the date of supply as a condition This period has just expired There are no properly trained tuners in these distant parts of Malanad available to do this work for a small allowance If it is entrusted to any other persons, it is very likely, the Radio may be mis-handled and frequent repairs have to be effected

It is therefore throught best to entrust the tuning work of the Radio to the Firm itself who had supplied the Radio Set, so that it might make its own arrangements to depute some assistant to tune the Radio in the evenings daily There is therefore good safety for the Radio also

The municipal council which met at its meeting held on 24th July 1948 has resolved that Sri Ganapathi Bhatta, the owner of the Firm be paid a lumpsum remuneration of Rs 200/- per year towards the tuning of the Radio from now on and that the said sum may be paid out of the closing balance of the municipality for this year as the same is not provided in this year's budget

I, therefore request you to be so good as to kindly accord sanction of Government for the arrangement for tuning the radio and to meet this amount from out of the closing balance of the municipality for 1948-1949 The closing balance as it stood on 30th June 1948 is more than Rs 28,000/- excluding the investments

The council resolution in this behalf, is enclosed for favour of kind perusal

Sir,

Subject

With reference to your letter No L 6050/M L 9-48-C2 dated 3-12-48 forwarding copy of letter No L 2139 dated 2-9-1948 regarding the remuneration of Rs 200/- to be paid to Sri Ganapathy Bhatta for tuning the Radio of this Municipality, I have the honour to state that on previous occassions, a clerk of this office was entrusted to the tuning work of the radio It was found that the clerk mishandled the radio and spoiled it The Radio was found unfit for use and it was abandoned and auctioned for a very small amount The Municipality therefore lost a heavy amount The Council is therefore of opinion that the tuning work should be entrusted to the dealer himself who will not only attend to the tuning but also attend to slight repairs when necessary without much cost When he happens to be both the dealer and the tuner he will naturally keep the Radio in good condition to earn a good name for his Firm

I, therefore, request you to be so good as to kindly accord sanction to the proposal of the Municipal Council If the amount is considered to be much, it may be suitably reduced

Yours Faithfully,

President
